ORDER OF DISMISSAL

The government has filed a motion to dismiss this appeal, contending that there is no evidence that appellant filed a claim with an Air Force contracting officer and that this Board lacks jurisdiction to adjudicate this matter under the Contract Disputes Act or the Board's Charter. Appellant states that it joins the government's motion and requests that any dismissal be without prejudice to permit the contractor to submit a claim to an Air Force contracting officer. Accordingly, this appeal is dismissed without prejudice.
