ORDER OF DISMISSAL

The government has moved to dismiss these appeals for lack of jurisdiction, arguing that appellant failed to submit proper claims under the Contract Disputes Act, 41 U.S.C. §§ 7101-7109. In response, appellant states that it intends to submit new claims to the contracting officer and seeks dismissal of these appeals without prejudice. Accordingly, these appeals are dismissed from the Board's docket without prejudice to appellant's right to file timely appeals from the contracting officer's denial, or deemed denial, of its claims.
