ORDER OF DISMISSAL

On 11 January 2014, appellant filed a notice of appeal referencing the captioned contract. On 13 January 2014, the Board docketed the appeal. By Order dated 21 February 2014, the Board directed appellant to either show that its representative meets the requirements of Board Rule 26 or designate a representative meeting those requirements by 7 March 2014. The Board did not receive a response from appellant and, on 31 March 2014, sent an Order directing a response by 8 April 2014. The 31 March 2014 Order indicated that if appellant did not comply by that date, the Board may dismiss the appeal without further notice to the parties. No response has been received by the Board to date.

Without a representative meeting the requirements of Board Rule 26, the Board is unable to proceed. The appeal is dismissed.
