ORDER OF DISMISSAL

By email dated October 8, 2018, appellant filed a notice of appeal with the Board, which was docketed on October 16, 2018. When the Board did not receive a complaint pursuant to Board Rule 6(a), it issued an Order, dated December 10, 2018, directing appellant to file a complaint within 21 days of the date of that Order, or immediately advise the Board how much more time was needed and why. The Board then issued a second Order, dated January 8, 2019, directing appellant to either file its complaint within 21 days or show cause why the appeal should not be dismissed for failure to prosecute. Both Orders were sent to the email address utilized by appellant to file its notice of appeal. The Board has received no response to either of the Board's Orders. Accordingly, this appeal is dismissed with prejudice under Board Rule 17.
