ORDER OF DISMISSAL

By Board Order dated 20 April 2015, the Board directed appellant to provide a valid mailing address and telephone number, show that appellant is represented by a person meeting the criteria of Board Rule 15(a), and file a complaint or designate the document entitled notice of appeal as its complaint. By email dated 24 April 2015, appellant provided a mailing address, but did not otherwise respond to the Board's Order. On 11 May 2015, appellant was ordered to fully respond to the Board's 20 April 2015 Order by 1 June 2015. After the deadline to provide a response passed, appellant called to request an extension of time. The Board granted an extension until 12 June 2015. The Board has received no response. Since the Board cannot proceed without a representative meeting the requirements of Board Rule 15(a), this appeal is dismissed.
