By Order dated 11 December 2015, appellant was ordered to show cause, no later than 28 December 2015, why the appeal should not be dismissed for failure to prosecute. The 11 December 2015 Order was sent to appellant at the email address provided on 29 June 2015 by appellant's former counsel. This is the same email address that appears in the record on several communications between appellant and various government personnel. The Board has received no response from appellant to its 11 December Order. Appellant likewise failed to respond to earlier Board Orders. Accordingly, this appeal is dismissed with prejudice under Board Rule 17.
