ORDER OF DISMISSAL

This appeal arises from an administrative contracting officer's (ACO's) final decision asserting a government monetary claim based on allegedly unallowable direct costs under 11 contracts. The parties jointly request dismissal of this appeal without prejudice because the ACO has since withdrawn the final decision due to a lack of authority to issue the decision because the contracts at issue were contracts over which

the ACO had no cognizance. Accordingly, this appeal is dismissed from the Board's docket without prejudice.
